

Are you ready to take your compost pile to the next level?  
Are you a novice who doesn't know where to start?  
Either way, join us for this free intensive workshop hosted by compost experts!

# EXTREME HOME COMPOSTING WORKSHOP

**Wednesday, May 7, 7:00-8:00 pm**  
**Community Center, 329 Browns Trace Road, Jericho, VT**

Come and learn about the benefits of compost, compost system options, and how to maintain your pile. Walk-in with little to no knowledge of compost and come out a **Rot Star!**

**free**  
**and open to the public**

Co-sponsored by the Norwich Energy Committee
